Slegs tenders ingevul op die gekoopte kleur-bladsy tender document sal aanvaar word.

Hierdie is 'n tarief-gebaseerde tender en die hoeveelhede wat verskaf is in die hoeveelheidslys van die tender sal gebruik word om die tender waarde te bepaal vir die finansiële offer vir die doeleindes vir tender evaluering. Die tender waarde reflekteer is nie noodwendig die totale waarde van die werk wat toegeken gaan word of die limiet van die totale werk wat toegeken sal word nie. Omdat die werk van 'n roetine en repeterende aard is, soos per die KIOR- "Inform Practice Note #3, August 2006 (Weergawe 2 - February 2008)", sal die KIOR kontrakteur gradering gebaseer wees op die jaarlikse geskatte waarde van die kontrak. Nagelang van die jaarlikse geskatte kontrak waarde, word geraam dat die tendersaars 'n CIDB kontrakteur graderingsvlak van 5CE of hoër moet hê.

Bywoning van die tender inligtingsvergadering op Woensdag, 1 Desember 2021 om 10:00 via Microsoft Teams is verpligtend. Voornemende tendersaars moet per epos registreer by Marc Jacobs by mcjacobs@george.gov.za teen 10:00 op Maandag, 29 November 2021 om in tyd die uitnodiging vir die MS Teams vergadering te ontvang.

Indien 'n tendersaar nie registreer vir bywoning voor 10:00 op 29 November 2021 voor die inligtingsvergadering nie, sal die tendersaar nie toegelaat word om die vergadering by te woon nie. 'n Tendersaar wat in gebreke bly om die MS Teams vergadering by te woon, se tender sal nie aanvaar word nie.

Tenders sal soos volg ge-evalueer word:

Tenders are hereby invited for the **INSTALLATION OF NEW BUS STOPS AND SHELTERS, AND MAINTENANCE ON EXISTING BUS STOPS AND SHELTERS IN TERMS OF CIVIL AND ELECTRICAL WORKS.**

Completed tenders in a sealed envelope, clearly marked:

Tender No.: T/ING/007/2021 must be placed in the tender box at the George Municipality on the First Floor, Directorate: Financial Services, Supply Chain Management Unit, Civic Centre, York Street, George by no later than **12:00 on Friday, 14 January 2022**. Tenders are not allowed to be placed in the tender box after 12:00. Tenders will be opened on the same day in the Committee Room at 12:05. Late or unmarked tenders will not be considered. No posted tenders or tenders per fax or e-mail will be accepted.

Tender documents will be available from **Monday, 22 November 2021** at a non-refundable deposit of R900.00 per document from the Supply Chain Management Unit, First Floor, Civic Centre, York Street, George. Only tenders filled in on the paid for colour-paged tender document will be accepted.

This is a rates-based tender and the quantities provided in the Schedule of Quantities for this tender will be used to generate a tender value for the financial offer for the purposes of tender evaluation. The tender value does not necessarily reflect the total value of work to be awarded or limit the total work to be awarded. Since the work is off a routine and repetitive nature, as per the Construction Industry Development Regulations, Inform Practice Note #3, August 2006 (Version 2 - February 2008), the CIDB contractor grading designation is based on the annual estimated value of the contract. Considering this annual estimated contract value, it is estimated that bidders should have a CIDB contractor grading designation of 5CE or higher.

Attendance of the tender briefing meeting on Wednesday, 1 December 2021 at 10:00 via Microsoft Teams is compulsory. Interested tenderers must register per email with Mr. Marc Jacobs at mcjacobs@george.gov.za by 10:00 on Monday, 29 November 2021 in order to receive an invitation.

If tenderers do not register for attendance before 10:00 on 29 November 2021 for the briefing meeting, the tenderer will not be able to attend the briefing session. Failure to attend the compulsory briefing session via MS Teams will invalidate your tender.
