The George Municipality uses a service provider, DDP Valuers (Pty) Ltd that uses an array of information-gathering methods including analyzing aerial photographs, site visits and neighborhood drive-throughs. The process to compile the general valuation roll, is completed.

The final General Valuation Roll will be published for comment from 9 February 2023 to 31 March 2023. At the same time, stakeholders will be given the opportunity to lodge objections, if deemed necessary. The objection process is followed by a valuation appeal process.
