The George Municipality By-law Relating to Streets, Sidewalks and Public Places was approved by Council on 29 June 2023 and promulgated on 14 July 2023. In order to give effect to the provisions within the by-law the above admission of guilt fine list is recommended for approval by the Chief Magistrate.

The fine amounts provide sufficient deterrent value in relation to the seriousness of the offence and in some cases will escalate in amount due to the continued transgressions should there be any. The escalation will only be applicable when the perpetrator is found guilty or pays an admission of guilt fine in respect of the preceding offence.

Where transgressions are considered serious or where an admission of guilt will not assist in resolving the matter, there is no admission of guilt and the matter must be considered by a competent court for the granting of appropriate relief.

This determination replaces any previous determinations applicable to the George Magisterial District(s).

APPROVED WITH EFFECT FROM: 1st NOVEMBER 2023
