Clarification

Mr SA Mabuto of the Financial Service Directorate performed the technical evaluation and ensured that the bidders complied with the tender requirements.

The tender document states that:

"Full descriptive literature from the specific manufacturer the tenderer intends to supply should be submitted with the tender document. If the literature is not submitted with your tender, your tender will not be considered."

Copies of all relevant registrations / permits / grading reports MUST be attached to this tender document. If this documentation is not attached, your tender will not be considered for evaluation."

Samples of all the products MUST be submitted together with your tender document on the closing date and time of tender FIN019/2024. If samples of these items are not submitted together with your tender document, your tender will not be considered for evaluation. Samples of the successful tenderers items will be kept by the George Municipality."

Sample Viewing

Samples of the tenderers who submitted samples were displayed in the Conference Room, George Civic Centre, 71 York Street, George on Wednesday, 19 February 2025. Health and Safety Representatives and Supervisors from the Civil Engineering Services Department (Streets & Stormwater), Community Services (Beaches, Refuse Removal, Parks & Transfer Station) and Corporate Services (Halls) attended the viewing and their comments and concerns regarding the samples were noted.
